

Community Care services offer a range of supports for aged & frail people.

In this 20 minute DVD, real people talk about the community care they have chosen to use & how the services enable them to stay independent & continue to enjoy an active lifestyle...

'Community Care Talks'

Ideal for service waiting rooms & staff training; content is not area-specific

\$25 (incl GST+ postage)

WHO IS BEHIND THIS DVD ?

SOUTHERN COMMUNITY
CARE DEVELOPMENT INC

SCCD is an incorporated non-government, community-based organisation, managed by a local, volunteer committee.

SCCD was formed in 2008 to work towards improving the quality of life & quality of care for people with disabilities, frail older people & the carers of both groups.

SCCD projects are motivated by community development principles in supporting individuals, organisations & agencies to develop vibrant & sustainable communities that embrace diversity.

Sutherland Shire HACC Development Project works with agencies who provide community care services & service users to:

- Strengthen the capacity of the community care service infrastructure
- Strengthen interagency & community relationships & understanding of community care
- Promote better practice in the development of a strong, cohesive community care system
- Provide information about relevant policy & guidelines

home and community care

A JOINT COMMONWEALTH AND STATE/TERRITORY PROGRAM
PROVIDING FUNDING AND ASSISTANCE FOR AUSTRALIANS IN NEED

The Sutherland Shire Community Information Project provides information stands at shopping centres & key community events to promote local community care services.

From time-to-time, the HACC DO seeks one-off funding for special projects. This project was funded with a Seniors Grant from **Sutherland Shire Council** in 2009. The DVD was produced by local, young filmmakers, **Kill The Director Productions**.
